THE PEOPLE OF AFRICA
Africa is believed to have been the home/cradle land of mankind.

Why is Africa beloved to be the Cradle land of early man?
It is where the oldest skull of early man was discovered.

ETHNIC GROUPS IN AFRICA.

What is an ethnic Group?
An ethnic group is a group of people who share the same origin, culture and almost speak the same language.

MAJOR ETHNIC GROUPS IN AFRICA
- Bantu.
- Nilo Hamites (Plain Nilotes).
- River-Lake Nilotes.
- Highland Nilotes.
- Hamites (Cushites).
- Semites

CHARACTERISTICS OF ETHNIC GROUPS
- They have the same origin.
- They speak similar language.
- They have the same culture.
- They eat similar type of food.

State the reasons why different ethnic groups migrated to different places
- They were looking for fertile soils for farming.
• They were looking for places with good climate.
• They were looking for water and pasture.
• They were attacked by epidemic diseases.
• Due to internal conflict in their homelands.
• There was over population in the areas of their origin.

State the problems met by the ethnic groups on their way during their migration
• They were attacked by wild animals.
• They were attacked by epidemic diseases.
• They were attacked by hostile tribes
• They faced food shortage
• It was difficult for them to cross some physical features.

ETHNIC GROUPS AND SETTLEMENT PATTERNS IN AFRICA
THE BANTU
Who are the Bantu
The bantu are the people who speak a related language with a common word “ntu”

Which was the cradle land/homeland/ origin of the Bantu?
Cameroon Highlands

Which people did the Bantu displace in East Africa?
Bushmen.

Which region did the Bantu settle in East Africa?
In the Interlacustrine region

What is interlacustrine region?
Interlacustrine region is the region between the great lakes of East Africa.

Write the examples of Bantu tribes in East Africa.

List the Bantu groups found in East Africa

- Eastern Bantu
- Western Bantu
- Central Bantu
- Southern Bantu

THE WESTERN BANTU
They came from Cameroon Highlands and entered East Africa although the democratic Republic of Congo in the **Western Direction**

**EXAMPLES OF WESTERN BANTU**
- Bagisu
- Basoga
- Bakonjo
- Banyankole
- Batooro
- Bakiga
- Baganda
- Banyoro
- Bagwere
- Basamia
- Examples of Highland Bantu
- Bagisu
- Chagga

THE EASTERN BANTU
The Eastern Bantu migrated from Cameroon highlands and later settled in Zambia, Kenya and Botswana e.g. Akamba, Kikuyu, Taita, Nyamwezi etc

THE SOUTHERN BANTU
They include
- The Zulu
- Xhosa
- Swazi
- Tswana
- Herero
- Ngoni
THE CENTRAL BANTU
They include
- Mbinda
- Orimbundu
- Luba
- Ndebele
- Tonga

NB: Ngoni were the last Bantu to enter East Africa

Examples of Highland Bantu in east Africa
- Bagisu
- Chagga
- Kikuyu

THE NILOTES
The Nilotes are sub-divided into three groups mainly:
- Nilo-Hamites (Plain Nilotes)
- River-Lake Nilotes (Nilotics)
- Highland Nilotes

RIVER – LAKE NILOTES (NILOTICS)
Why are river-lake Nilotes called so?
They settled in areas along lakes and rivers in East Africa

Which was the cradle land/ Homeland/ Origin of the River-Lake Nilotes?
Bahr-el-Ghazel

List the Tribes that belong to the River-Lake Nitotes

Where did the River-lake Nilotes settle at first after entering Uganda?
Pubungu

Why did Gipir and Labong separate in Pubungu?
They separated because of the spear and the bead

Name the three groups of the Jaluo in Kenya
- Jok-Ajok
- Jok-Owiny
What was the main economic activity of the river-lake nilotes
Nomadic Pastoralist

State the reasons for the migration of the River-lake Nilotes
• They were looking for pasture and water for their animals.
• They were attacked by epidemic diseases.
• There was prolonged drought which caused famine.
• There was internal conflicts.
• Breakout of civil wars

State effects / results of the River-lake nilotes in East Africa.
• They introduced the Luo culture / languages.
• They introduced pet names e.g. Akiiki, Araali, Amooti, Abwooli, Atenyi, Adyeri, Apuuli etc.
• It led to the increase of the number of cattle in East Africa
• It led to the population increase of people.
• They formed the Luo-Babito dynasty in Bunyoro

THE HIGHLAND NILOTES
They are called so because they settle on the highland areas of East Africa

Which was the origin of the Highland Nilotes?
South-western Ethiopia

List down the tribes that belong to highland Nilotics in East Africa
• Sabiny
• Pokot
• Kipsigis
• Teribok
• Bongomek
• Keijo
• Dadong
• Marakwet
• Nandi
• Tugeni

What was the main economic activity of the Highland Nilotes
Cattle Keeping

THE PLAIN NILOTES/ NILO-HAMATES
Why are they called so?
They are called so because they settled on plain areas of East Africa

Which was the origin of the Plain Nilotes (Nilo-Hamites)
Ethiopia Highlands
Name the tribes that belong to the Plain Nilotes in East Africa
- Iteso
- Karimojong
- Kumam
- Kakwa
- Langi
- Bakoro
- Jie
- Tapeth
- Dodoth
- Turkana
- Masai
- Samburu

What was the main economic activity of the plain Nilotes?
Nomadic Pastoralist

Why did the Nilotes change from nomadic pastoralism to mixed farming?
- They settled in areas with fertile soils
- They settled in areas with reliable rainfall / good climate

Name the tribes that belong to the Plain Nilotes that still carry out nomadic pastoralism
- Karimojong
- Bakera
- Jie
- Tapeth
- Dodoth
- Turkana
- Masai

Name other tribes that are not Nilotes but carry out nomadic pastoralism
- Basongora
- Bahima

HAMITES/ CUSHITES
They originated from the continent of Asia and settle in the Horn of Africa.

Name the tribe that belong to the cushites

Which was the main economic activity of the hamites / cushites
Cattle Keeping

THE SEMITES
Where did the Semites originate from?
Asia
North America

Name the tribes that belong to the Semites in Africa

- Amhara
- Bagarra
- Tigre
- Nubians – Uganda, Kenya and South Sudan
- Arabs – Sudan

How were the ethnic groups organized before the coming of Europeans?

- They formed kingdoms
- They formed chiefdoms
- They formed principalities
- They formed clan systems.

FOREIGN INFLUENCE IN AFRICA

Who is a foreigner?
A foreigner is a person who comes from a different place country or continent.

List the groups of foreigners that came to Africa
Arabs
Asians/ Indians

State the reasons why the foreigners came to Africa

- They came to trade
- They came to get raw materials for their home industries.
- They came to get market for their finished goods
- They wanted to invest on their surplus capital
- They wanted to find the source of River Nile.
- They wanted to spread Christianity.
- They wanted to spread Islam.
• They wanted to get colonies
• They wanted to get land for settlement.

**Who were the first foreigners to come to Africa?**
Arabs

**Name the continent where the Arabs came from**
Asia

**State the reasons, which made the Arabs to come to Africa.**
• They wanted to spread Islam.
• They wanted to trade.
• Due to religious wars in Oman.
• They wanted to get land for settlement.

**Where did the Arabs settle at first when they came to Africa?**
North Africa.

**Which winds helped the Arab traders to cross the Indian Ocean?**
Monsoon winds/ Monsoon trade winds

**How helpful were the monsoon trade winds to the Arab traders.**
• It pushed the shows across the Indian Ocean.
• It helped them to sail across the Indian Ocean

**What name was given to the special boats which the Arabs Used?**

**Name the Arab who led other Arab Traders to Buganda.**
Ahmed Bin Ibrahim

**List the items / goods of trade that the Arabs brought to East Africa.**

- Guns
- Clothes
- Plates
- Dagger
- Ornaments
- Carpets
- Rugs
- Spices
- Mirrors
- Blanket
- Cups
- Blankets
- Bangles
- Beads

**Which items of trade did the Arabs take away from East Africa**

- Slaves
- Gold
- Ivory
- Tortoise Shells
- Rhinoceros horns
- Bee wax

**Why did the Arabs move in caravans?**
For protection

For more lesson notes, visit [www.freshteacheruganda.com](http://www.freshteacheruganda.com)
How useful were the caravans to the Arab Traders?
• They provided protection
• They transported their goods.

Why did the Arabs carry guns?
For protection

Name the inland town that was developed by the Arab traders in East Africa
Tabora

Which was the main slave trade market in East Africa?

Which was the main slave trade market in West Africa?
Gore Island

What title was to the Arab rulers at the coast of East Africa?
They were called sultans

Give any economic contributions of the Arabs in East Africa
• They introduced cowrie shells.
• They introduced Zebu Cattle (short horned) cattle
• They introduced new trade items e.g. clothes, guns plates etc.
• They developed coastal towns e.g. Lamu, Pamba, Mogadishu, Mombasa etc.
• They introduced new crops e.g. cloves, rice, Dates etc.
• They introduced stone buildings.

State the social contribution of the Arabs in East Africa
• They introduced Islam.
• They introduced Swahili Culture.
• They built Koran Schools for teaching Arabic numerals.
• They introduced the wearing of Kanzus and Veils.
• They built mosquitoes.

Which foreigners introduced cowry shell to East Africa?
Arabs

State the political contributions of the Arabs in East Africa
• They built the Zenji empire at the coast of East Africa
• They brought guns for protection

State the political contributions of the Arabs in East Africa.
• They built Zenji empire at the coast of East Africa
• They brought guns for protection

**Why did the Arabs name the empire they built at the coast of East Africa?**
• They found the black people at the coast of East Africa

**Why did Islam take long to spread in East Africa**
• The Arabs were interested in trade than in spreading the Islam
• The Arabs were feared as slave traders
• They had few Arabic teachers

**State any positive effects/ results of the Arabs in East Africa**
• They introduced cowry shells
• They introduced new trade items
• They developed coastal towns
• They introduced new crops
• They built stone buildings
• They introduced Islam
• They introduced Swahili culture
• They introduced wearing of Kanzus and veils
• They built schools for teaching Arabic numerals.
• They built the Zenji empire
• They built mosques
• They introduced Kiswahili language.

**How did Kiswahili culture come into existence?**
The Arabs inter-married with the coastal Bantu.

**Which culture was introduced by the Arabs at the coast of East Africa?**
Swahili culture

**Why did the Arabs settle at the coast of East Africa?**
• They wanted to control the booming trade.
• There was good climate.

**PAPER 2**

**TYPES OF TRADE CARRIED OUT IN AFRICA LONG TIME AGO**
• Long distance trade
• Slave trade
• Trans-Saharan Trade
• Trans-Atlantic Trade
**LONG DISTANCE TRADE**

*What was the long distance trade?*

The long distance trade was the trade carried out between the people of the interior of East Africa.

*Why was long distance trade called so?*

It involved the movement of people on foot for a long distance with their goods on their heads.

*Which system of trade was used during the long distance trade?*

Barter Trade

*Name the African tribes which got involved in the long distance trade?*

- Baganda
- Nyamwezi
- Hehe
- Yao
- Akamba
- Hehe

NB: The Banyoro were the victims of the long distance trade.

*Name the foreigners who participated from the long distance trade*

- Arabs

*Name the routes, which were used in East Africa during distance Trade*

Central Route

*Name the coastal towns that were used during the long distance trade*

- Zanzibar
- Kilwo
- Mombasa
- Bagamoyo

*List the items got from the interior of East Africa during the long distance trade*

- Ivory
- Hides and skins
- Honey
- Salt
- Bee wax
- Cattle
- Gold, copper, iron ore
- Rhinoceros

*List the items of trades the Arabs got from the following people (Societies)*

**Buganda**

- Ivory
- Slaves
- Hides and Skins

**Akamba**

- Honey
- Bee wax
Nyamwezi

- Ivory
- Salt
- Gold
- Copper
- Iron Ore

Yao

- Ivory
- Slaves

State the positive effects of the long distance trade

- Some kingdoms became rich and strong e.g. Buganda
- It led to the introduction of new goods to East Africa
- It led to the development of towns at the interior of East Africa e.g. Tobora
- It led to the formation of Swahili culture.
- It led to the inter-marriage between the Arabs and the coastal Bantu
- It led to the development of coastal town e.g. Zanzibar, Kilwa

State the negative effects of long distance trade

- It led to the development of slave trade.
- It led to the increased inter-tribal wars.
- It led to the destruction African culture.
- It led to depopulation.
- It led to famine.
- It led to the exploitation of resources in Africa.

Why did the long distance trade lead to slave trade?

- There was great demand for people to carry goods to the coast

What is slave trade?

Slave trade is the buying and selling of human beings

Who is a slave?

A slave is a person kept illegally by another person and works without payment.

What is slavery?

- Slavery is the act of keeping people illegally as slaves
- Slavery is the possession of a person by another without permission.

Which foreigners introduced slave trade in East Africa?

- Arabs
Name any other participants in slave trade apart from Arab traders

- African chiefs
- African Kings
- The British
- The French
• The Germany

**How did the Arab traders obtain slaves?**
• Through raiding villages at night
• Through barter trade
• Through inter-tribal wars
• Through way laying ambushes
• Through African Chiefs and Kings

**Which major trade item did the Arabs take away from East Africa**
Slaves

**Name the famous Arab slave traders in East Africa?**
• Tippu-tip
• Abu Sand
• Fundikiri

**Name the worst Arab slave trade in East Africa.**
Tippu-tip

**Who were the worst Arab slave traders in Africa?**
Khartoumers

**How was slave trade abolished in East Africa?**
• By force
• By signing treaties / agreement e.g. Moresby treaty. Frere treaty, Hammerton treaty
• Through missionaries
• By building the Uganda Railway

**State the effects of slave trade in Africa (Negative)**
• It led to depopulation
• It led to destruction of property.
• It led to separation of African families.
• It led to destruction of African culture.
• It led to displacement of people from their homes
• It led to famine.
• It led to increased hatred between African Chiefs and Kings and their subjects
• It led to the decline / collapse of some weaker states due to constant wars.

**Positive effects of slave trade**
• Some African Chiefs and Kings become rich.
• It led to the growth of some towns. E.g. Tabora, Kilwa, Zanzibar etc.
• East Africa was opened to the outside world.
State the reasons why the African Chiefs and kings did not want trade to stop
- They were benefiting from it

How did slave trade help the African Chiefs and Kings to develop?
- They got guns for protraction
- They got gifts from the Arabs
THE TRANS-SAHRAN TRADE

What was the trans-Saharan trade?
The trans-Saharan trade, which was conducted across Saharan desert.

NB: The people involved in this trade had to cross the Sahara desert from North Africa, West Africa to the interior of Africa.

Name the people who were involved in the Trans-Saharan trade
- Africans
- Arabs

Lost the commodities of trade used during the Trans-Saharan Trade
- Gold
- Hides and skins
- Clothes
- Cups
- Bee wax
- Beads
- Timber
- Rhinoceros horns

Which was the main means of transport used during the Trans-Saharan Trade
Camels

Why was the camel the most suitable animal used for transport during the trans-Saharan Trade?
- It has large hooves for easy movement on the sand.
- It has large humps which store water for a long period of time
- It has hard eyelids, which protects it from desert sand.

What are benefits of burden?
- Beasts of burden are the animals, which were commonly used for transport by the people of long ago.

List the examples of beast of burden
- Horses
- Donkeys
- Camels
- Oxen

Why was this trade called the Trans-Saharan trade?
Its trade routes ran across Sahara desert

Which was the major item of trade during the trans-Saharan trade?
Salt

Where was salt obtained from?
- Taghaza
- Tedmekket

Where was the gold mined from during the Trans-Saharan Trade?
Nagara in Ghana

State the effects of the Trans-Saharan Trade.
• African Chiefs and Kings became rich and powerful.
• Many people got converted to Islam.
• It led to the development of towns along the trade routes.
• It led to the growth of ancient kingdoms in W. Africa e.g. Ghana, Songai, Mali and Bornu-Kanem.
• It led to rural-urban migration.
• It linked West Africa. Interior of Africa and North Africa

THE TRANS-ATLANTIC TRADE
What was the Trans-Atlantic trade?
The Trans-Atlantic trade was the trade which was conducted across the Atlantic Ocean.

Why was the Trans-Atlantic trade called the triangular trade?
It was the triangular trade because it was conducted in three routes which formed a triangular shape

List the major trade routes of the Trans-Atlantic trade?
- Africa to America
- America to Europe
- Europe to Africa

Name the continents that carried out the Trans-Atlantic trade.
- America
- Europe
- Africa

THE TRANS-ATLANTIC TRADE (THE TRIANGULAR TRADE) MAP
Why were the slaves taken to America?
• To work in the tea and sugarcane plantations
• To work in the mines
• To provide domestic labour

Name the places where the slaves were taken in America
- Mexico
- Cuba
- Venezuela
- Beazil
- Peru

State the problems faced by slaves
• They were made to walk long journeys without food.
• They were whipped.
• They were killed on their way
• They were made to work without pay
• The machines cut off some parts of their bodies.

State the effects of the Trans-Atlantic trade
• It led to depopulation
• It led to the exploitation of resources in Africa.
• It led to increased wars among the African societies.
• It led to the depopulation of some wild animals e.g. elephants.
• It led to the development of towns along the trade routes.
• It led to the introduction of cocoa from Brazil and Amazon forests.
• It led to the development of trade between Africa and Europe.
• New goods were introduced from Europe to Africa e.g. clothes, Spirits, Guns and Cigarettes

Which European country took the great lead of campaigning against Slave Trade?
Sir William Wilberforce

Name the people who spear-headed the campaign against slave trade
• Sir Wilberforce (The British member of parliament)
• Abraham Lincoln (The President of the USA)
• Adam Smith
• Granville Sharp
• Thomas Darkson
• Henrich Barth
• Henry Thornton

• Trains were used for transporting soldiers to patrol slave trade routes
• The goods were transported using trains instead of slaves.

Which treaties/agreements were signed for abolishing/ending/stopping Slave trade in East Africa.
• Frere treaty
• Hammerton treaty
• Moresby treaty.

Moresby Treaty (1822)
Name the personalities who signed the Moresby treaty of 1822.
• Sir Fair Fox Moresby (British)
• Sultan Seyyid Said (Arabs)

**What was the main term/features of the Moresby treaty of 1822?**
The Sultan of Zanzibar was not allowed to sell slaves to the non-Arab countries

**Hammerton treaty of 1845?**
• Sir Hummerton
• The Sultan of Zanzibar

**What were the terms of the Hammerton Treaty?**
• No slaves were to be shipped across the Indian Ocean
• The powers of the Sultan were reduced.

**FRERE TREATY (1874)**
**Name the people who signed the Frère Treaty of 1874**
• Sir Bartle Frere
• Sultan Sayyid Bargash of Zanzibar.

**What were the terms of the frère treaty of 1874?**
• The Freed slave were to be protected
• The Indian in East Africa were not allowed to own slaves
• The export of slaves was made illegal in the areas under the control of the Sultan.

**Name the homes for the Freed Slaves in Africa**
• Zanzibar
• Liberia

**THE ASIANS / INDIANS**
**In which continent did the Asians come from?**
Asia

**Why did the Asians come to East Africa**
• To trade
• To build the Ugandan Railway (Indian Coolies)

**Why were the Indian coolies brought to Uganda?**
To build the Uganda railway

**Why are the following Indian traders remembered in Uganda’s history?**
A. Aldina Visram
• He opened / built the first shop in Kampala
• He encouraged the opening of the National Bank of India in Uganda

B. **Nanjil Khalidas Mehta**
   He opened a sugarcane estate at Lugazi

C. **Muljibhai Madhivani**
   He opened a sugarcane estate at Kakira

**Who were the Banyas?**
The Banyans were the Asian/Indian traders who lent money to the Africans to start business.

**State the effects / contributions of the Asians to the development of East Africa**
• They built the Uganda Railway.
• They opened Sugarcane estates at Lugazi and Kakira
• They lent money to people to start business
• They introduced new trade items e.g. clothes, Red pepper.
• They have provided employment.
• They opened cotton ginneries for ginning cotton.
• They built trading centers, which later developed into towns and cities.
• They pay taxes to the government.
• They introduced Rupees

**Give any one contribution of Asians to the economic development of Uganda (P.L.E 2006 No 19)**
• They built shops / started trade / promoted trade.
• Opened industries / sugarcane and tea plantations.
• They built the Uganda Railway.
• They introduced Rupees.
• They pay taxes to the government for development.

**THE COMING OF THE EUROPEANS TO AFRICA**

**Who are Europeans?**
Europeans are people who come from the continent of Europe

**Name the groups of Europeans that came to Africa**
• Explorers
• Missionaries
• Colonialists/Administrators
• Traders
For more lesson notes, visit www.freshteacheruganda.com

- Settlers

**Name the Europeans countries which were interested in Africa**
- Britain
- Germany
- France
- Spain
- Italy
- Portugal
- Belgium
- Netherlands

**State the reasons why the Europeans come to Africa**
- They wanted to find the source of River Nile
- They wanted to find the sea route to India
- They wanted to discover other important physical features
- They wanted trade.
- They wanted to get market for their finished goods.
- They wanted to get raw materials for their home industries
- They wanted prestige.
- They wanted to invest on their surplus capital.
- They wanted to get land for settlement.

**Why was Africa referred to as the Dark Continent?**
- Little or nothing was known about the interior of Africa by the Europeans
- No European had ever penetrated the interior of Africa.

**Name the first group of Europeans to come to Africa**
- Explorers

**THE EXPLORERS (EUROPEAN EXPLORERS)**

**Who is an explorer?**
An explorer is a person who leaves his country or continent and goes to find more about physical features of other areas.

**Which European organization sent most European explorers to East Africa?**
The Royal Geographical Society (RGS)

**Why did the Europeans explores come to Africa?**
- They wanted to find the source of River Nile.
- They wanted to discover other physical features e.g. River Niger, River Zambezi, Lake Victoria etc.
- They wanted to discover the resources in Africa.
Why did the Europeans carry guns?
- For protection

Name the European explorers who came to East Africa
- Dr. Ludwig Krapf
- Johann Rebmann
- Jacob Erhardt
- John Speke
- Richard Burton
- James Grant
- Joseph Thomson
- Dr. Fischer
- Dr. David Livingstone
- Vasco-Da-Gamma

Name other European explorers that came to other parts of Africa
- Mungo Park
- Richard Lander
- John Lander
- De Brazza
- Heinrich Barth
- Clapperton
- Rene Caillie

Name the earliest explorers that came to East Africa
- Dr. David Livingstone
- Johann Rebmann
- Jacob Erhardt
- Ludwig Krapf

Why were most European explorers sent to East Africa?
To find the source of River Nile

Why did the early European explorers stop at Zanzibar?
- They wanted to get permission from Sultan.
- They wanted to get potters to carry their goods
- They wanted to learn Kiswahili

Name the town which was the entry point of the early explorers to interior of East Africa
Bagamoyo

How important was Bagamoyo to the Early explorers to E. Africa?
Bagamoyo was the entry point of the early explorers to the interior of East Africa

Why did the early explorers use Bagamoyo in Tanganyika for entering East Africa instead of Mombasa in Kenya which was near Uganda?
- They feared wild animals at Tsavo National Park.
- The people of Bagamoyo were friendlier than those in Mombasa.
- Why were John Speke, Richard Burton and James Grant sent to East Africa at Different Times?
To find the source of River Nile

Name the gun bearers who were given to John Speke and James Grand by the Sultan of Zanzibar

For more lesson notes, visit www.freshteacheruganda.com
• Mwinyi Mabruki
• Sidi Bombay.

**Name the King of Karagwe who welcomed John Speke and James Grant**
Rumanika

**How helpful was King Rumanika of Karagwe to James Grant?**
He took care of him when he was sick

**Why are the following European explorers remembered in East Africa?**

(a) **Dr. Ludwig Krapf**
- He was the first European explorer to see Mt. Kenya in Kenya
- He was the first European to explore the interior of East Africa

(b) **Johann Rebmann**
- He was the first European explorer to see Mt. Kilimamjaro

(c) **Jacob Erharoit**
- He drew the sketch map of East Africa including L. Victoria

(d) **Count Teleki**
- He was the first European explorer to see L. Turkana in Kenya that he named Lake Rudolf

(e) **James Bruce**
- He was the first European explorer to see the Blue Nile and Lake Tana in Ethiopia

(f) **Joseph Thompson**
- He was the first European to see Mt. Masaba (Mt. Elgon) in Uganda.
- He found the direct route from Kenya to Uganda
- He successfully crossed the Masai and Nandi land in Kenya
- He found the shortest route to Uganda

**How was Joseph Thompson able to successfully cross the Masai Land and Reach the slopes of Mt. Elgon?**
- He followed the orders of the Masai Chief
- He was guided by the Masai Warriors

(g) **Dr. Fischer**
- He was the first European explorer to see L. Naivasha in Kenya

(h) **John Speke**
- He was the first European explorer to see the source of River Nile.
- He named Lake Nalubaale Lake Victoria

For more lesson notes, visit [www.freshteacheruganda.com](http://www.freshteacheruganda.com)
• He named the water falls at the source of the Nile Ripon Falls
• He was the First European to enter Buganda Kingdom.

_Name the place in South Sudan were John Speke and James Grant met the Bakers_
Gondokoro

(i) _Sir Samuel Baker_
• He traced the source of River Nile from its mouth (Mediterranean Sea)
• He was the first European explorer to see L. Mwitazigye (Home of Locusts) and named it. L. Albert.
• He named waterfalls between Lake Kyoga and Lake Albert as Murchison Falls.

(j) _H.M Stanley_
• He was an American journalist by profession
• He worked as a journalist for the newspaper called “New York Herald”
  **N.B:** He made 3 journeys to East Africa.

_Why was H.M Stanley sent to E. Africa for the first time in 1871?_
He was sent to look for Dr. David Livingstone

_Where did H.M Stanley meet Dr. David Livingstone in East Africa?_
Ujiji in Lake Tanganyika.

_Why was H.M Stanley sent to East Africa for the Second time in 1874?_
• To complete the exploration work of John Speke and James Grant about the source of R. Nile.

_Why H.M Stanley circumnavigate Lake Victoria?_
• He wanted to draw the map of L. Victoria
• He wanted to prove if L. Victoria was the source of R. Nile.

_Why was H.M Stanley sent to East Africa for the 3rd time in 1878?_
To rescue Emin Pasha from the Sudanese Fighters.

_Which European explorer named Mt. Rwenzori “The Mountains of the moon?”_
H.M Stanley

(k) _Dr. David Livingstone_
• He discovered River Zambezi in Central Africa.
• He named the Waterfalls on River Zambezi as Victoria Falls
• He discovered Lake Nyasa (Malawi), Lake Tanganyika, Lake Mweru and R. Lualaba in Zambia

**Why did Dr. David Livingstone name the waterfalls on river Zambezi as the smoke that thunders?**
The falling water that was white and making a loud noise
PORTUGUESE EXPLORERS

Name the first group of European explorers to come to East Africa
Portuguese

Why were the Portuguese interested in coming to East Africa?
- To find the sea-route to India
- To spread Christianity

Why did the Portuguese build Fort Jesus?
- For protection
- To repair their ship
- To have where to store their goods

How does Fort Jesus contribute to the economy of Kenya at present?
- It is a tourist attraction
- It is a source of foreign income / Revenue

PRINCE HENRY THE NAVIGATOR

Why is prince Henry the navigator remembered in the history of Portugal?
- He invented a compass.
- He built a navigation school at Sagress in Lisbon
- He encouraged the Portuguese explorers to find the sea route to India
- He funded the activities of the Portuguese explorers.

Why did Prince Henry the Navigator build a navigation school in Sagress?
- He wanted the Portuguese explorers to learn better sailing skills
- He wanted the Portuguese explorers to learn better map reading skills
- He wanted the Portuguese explorers to get better skills of using ships with a compass

Name the people who attended the studies at Sagress in Lisbon
- Marcopolo
- Ferdnard Magellan.
- Bartholomew Diaz

Why did the Portuguese explorers look for the sea route to India?
- They wanted to find a cheaper route to India.
- They wanted to avoid risks on their way.
- They wanted to discover the route that would allow them carry many goods at once.
Why was the Eastern Route not safe for the Portuguese Explorers?
• They were attacked by Muslim Turks.
• Their goods were stolen on the way
• They carried few goods.

Why are the following European explorers remembered?
A) Marco-Polo
• He was an Italian explorer who walked on foot from Venice to Peking in China.
• He found silk in India which was of great demand in Portugal
• He discovered the Eastern route to India.

B) Bartholomew Diaz
• He was the first European explorer to reach Cape Verde Islands at the coast of West Africa
• He named Cape Verde Islands as the green Cape.

Why did Bartholomew Diaz as the Green Cape?
• He found abundant evergreen vegetation

Name the coastal town in East Africa that welcomed the Portuguese explorers
Malindi

Name the guide who was given to the Portuguese explorers
Ahmed Bin Majid

Why were Portuguese explorers not welcomed in some coastal town?
• The Arabs feared competition
• The Arabs never wanted to lose control of the booming trade at the coast
• The Arabs did not want Christianity to spread at the coast of East Africa.

State the problems faced by the Portuguese Explorers
• They faced strong storms
• They were attacked by the Arabs
• They were attacked by tropical diseases

Why were the Arabs defeated at the coast of East Africa?
• The Portuguese had better military skills than the Arabs
• The Portuguese had more powerful guns than the Arabs
• The Portuguese had surprise and abrupt attacks on the Arabs
• The Arabs were hated by the people at the coast of East Africa for being slave traders.

Why did the Portuguese rule collapse / decline / fail at the coast?
• They were harsh and cruel
• They became corrupt
• The Portuguese officials were few
• Portugal was far away from East Africa for easy administration.
• The Africans and Arabs staged many rebellions against them.

State the positive results of the Portuguese rule/ control at the coast of East Africa
• They introduced Christianity
• They built Fort Jesus
• They introduced new crops e.g. Maize, Pineapples, Cassava, Sweet Potatoes, Paw paws, guavas etc.
• They linked E. Africa to India

State the negative results of the Portuguese rule / control at the Coast of East Africa.
• It led to increased rebellions at the coast of East Africa to India
• It led to increased hatred between the Portuguese and the people at the coast of East Africa.
• The Portuguese governors became corrupt e.g. Francisco D’Almeida
• They displaced the Africans from their land

The Map showing Vasco da-Gama’s Journey to India

How did the explorers contribute to the colonization of Africa (PL.E 2008 No.23?)
• They paved way for the colonialists.
• They drew the map of Africa showing physical features
• They gave reports about the resources and places of Africa to Europe.

MUNGO PARK
He was sent to Africa by the African Association in Britain
Why was Mungo Park sent to West Africa?
He was sent to find the source of River Niger.
What were the findings of Mungo Park in West Africa?
He wrote a report about the following:
   a) The Natural resources in West Africa
   b) The size and population of West Africa
   c) The Water Transport system along R. Niger

Name the place along R. Niger where Mungo Park drowned (P.LE 2015 No.30)
Bussa falls

JOHN LANDER AND RICHARD LANDER
   • They were sent to find out whether transport was possible along River Niger.
   • To complete the exploration work of Mungo Park.

What were the findings of the Landers
   • They wrote about the booming trade
   • They encouraged the British trading companies to open trade winas with West Africa with Palm oil Ivory, Gold etc

DE-BRAZZA
He was the most famous French explorer in Senegal and Gambia

HEINRICH BARTH
   • He was a Germany explorer who reached Sokoto and Borno in Mali
   • He made a detailed report about the following
      a) The Land resources
      b) The history of the people in Mali.
      c) The social life of the people in Mali.

NB: He explored the major trade routes in Sahara and Sahel region
He was the longest ever travelled European explorer in Africa

DENHAM AND CLAPPERTON
They were the first Europeans to travel Southwards across Sahara Desert.

What were the findings of Clapperton and Denham about River Niger?
   • R. Niger doesn’t flow northwards but in flows southwards
   • L. Chad and R Chari drain the water into R. Niger
   • R. Niger did not have any connection with R. Nile

RANE CAILLIE
He was the first French man to reach Timbuktu
Why was it difficult for the European Explorers to explore the interior of Africa?
- The explorers feared wild animals
- There were no clear routes to be followed
- They feared to be attacked by hostile tribes.
- It was difficult for them to cross some physical features

State the problems faced by early explorers in Africa
- Language Barrier.
- Harsh climate.
- They were attacked by hostile tribes.
- They were attacked by wild animals.
- They were attacked by tropical diseases.
- There was shortage of supplies.
- It was difficult for them to cross some physical features.

State the effects of exploration work in Africa
- They made Africa known to the rest of the world.
- They provided information that led to the abolition of slave trade e.g. David Livingstone.
- They paved way for the missionaries
- They wrote report about the resources in Africa that attracted the colonialists
- They re-named the physical features in Africa using colonial names Mt. Masaba to Mt. Elgon.

Name the president of Uganda who was against use of colonial/ names for physical features
- Idd Amin Dada

In which way did president Amin show that he was against the use of colonial names in Uganda?
- They named Lake Edward as Lake Mobutu and Lake George as Lake Amin
THE SETTLERS (THE WHITE SETTLERS)

Who were the white settlers?
- The white settlers were the foreigners from Europe who came to settle permanently in Africa.

State the reasons why the white settlers came to Africa.
- To get land for settlement
- To get cheap labour

Name the countries why the whites settled in Africa?
- Kenya
- South Africa
- Namibia
- Zimbabwe

THE DUTCH / BOERS

Who were the Dutch / Boers?
- The Dutch were the farmers from (Netherland / Holland)

Which country did the Dutch come from?
- Netherland / Holland.

How did the Dutch / Boers come to settle in South Africa?
- Their ship called Haarlem hit the rock and sunk in Atlantic Ocean.
- The survivors swarm to the coast of South Africa.

Name the Dutch / Boer who led the survivors to Cape Town in South Africa?
- John - Van – Reebeck (Jan – Van Reebeck)

Why Is Jan – Van - Reebeck remembered in the Dutch history of South Africa?
- He led the Dutch survivors to settle in South Africa.
- He encouraged other Dutch to come and settle in South Africa.
- He encouraged the Dutch to set up temporary houses at him Cape of Good Hope.
- He encouraged the Dutch to grow crops for example vegetables, grapes, vines, oats and amongst others.
State the factors that attracted the Dutch to settle at the coast of South Africa?
- Presence of fertile soils
- Presence of good climate.
- The boom trade

Why did the Dutch / Boers start the growing of grapes the coast of South Africa?
- For marketing wine

Name other foreigners that settled in South Africa?
- British
- French

THE GREAT TREK

What was the Great trek? (P.L.E 2008, NO. 50 (a))
- The Great Trek was the movement of Boers / the Dutch from the Cape Town Colony to the interior of South Africa.

What were the causes of the Great Trek?
- The coming of the British to the Cape Town.
- The Dutch did not want to mix with other people
- The British abolished slave trade (The British interfered with the activities of the Dutch)

Which was the first state / colony to be set up / to be formed by the Dutch / Boers in South Africa?
- Cape Colony

Name the other states where the Dutch settled after the Great Trek?
- Orange Free State
- Trans – Vaal State
- Natal

Name the colony / state that remained under the British Control in South Africa?
- Cape Colony

Which river did the Dutch cross during the Great Trek?
- River Vaal
What does the term Trans – Vaal mean?
• Trans – Vaal means across River Vaal.

State the results / effects of the Great Trek (P.L.E 2008 No. 50 ( C)
• It led to de – population
• It led to displacement of people.
• It led to destruction of the property.
• It led to wars between the Boers and the Africans
• New crops were introduced for example maize.
• It led to intermarriages between Africans and the Boers
• It led to the formation of the new states for example orange state, Free State, Trans – Vaal State and Natal.
• Africans were taken as slaves.

THE SCRAMBLE AND PARTITION OF AFRICA.
What was the scramble for Africa?
• Scramble for Africa was the period when the European countries struggled to get colonies in Africa.
• Scramble for Africa was the great rush for colonies by the European countries in Africa.
• Scramble for Africa was when the European countries competed for colonies in Africa.

What was the partition of Africa?
• The partition of Africa was when the European countries divided Africa peacefully among themselves.

What is the difference between scramble for Africa and Partition of Africa?
• Scramble for Africa was the period when the European countries struggled to get colonies in Africa While the partition of Africa was when the European countries divided Africa peacefully among themselves.

Name the European countries that scrambled and partitioned Africa.
• Britain
• France
State the reasons for scramble and partition of Africa?

a. Economic reasons:
   - They wanted to get raw materials for their home industries
   - They wanted to get ready market for their goods
   - They wanted to invest in their surplus budget
   - They wanted to get cheap labour
   - They wanted land for settlement.

b. Social reasons
   - They wanted to spread Christianity.
   - They wanted to stop slave trade.

c. Political reasons
   - They wanted to get colonies

Which meeting / conference led to partition of Africa?
   - The Berlin conference

Name the German Councillor who called for the Berlin Conference that was held between 1884 – 1885.
   - Otto – Von – Bismarck

In which country was the Berlin conference held?
   - German

Why was the Berlin conference held between 1884 – 1885?
   - To agree on how to divide colonies

Name the first European country to get a colony in Africa?
   - Netherlands (Holland)

Name two countries in Africa which were not colonized?
   - Ethiopia
   - Liberia

Name the country at the horn of Africa that was not colonized?
   - Ethiopia

State the reasons why Ethiopia was not colonized by the Europeans?
   - It had a strong army
   - It had strong leaders
• Its resources were not attractive to the colonialists
• Its mountainous nature provided a natural barrier

Name the countries in West Africa that was not colonized?
• Liberia

Why was Liberia not colonized by the Europeans?
• It was the home for freed slaves.

What resolutions were made during the Berlin conference?
• Any European country was free to get land in Africa.
• For any extension of power, other European countries were to be informed.
• European countries were to stop slave trade in their colonies.
• Land once acquired was to be controlled effectively and no other European country was to claim for it.

How did the Berlin conference affect the European African countries?
• African countries lost their independence
• African leaders lost their powers
• African tribes were separated by the colonial boundaries for example Masai in Kenya and the Masai in Tanzania.
• It led to the formation of new states for example German East Africa, British East Africa and British Protectorate.
• It led to the construction of roads and railway lines.
• They abolished the slave trade in their colonies
• It led to a peaceful division of African colonies by the Europeans.
• It led to the exploitation of resources in Africa.

SYSTEMS / POLICIES / METHODS OF COLONIAL ADMINISTRATION IN AFRICA.

• Indirect rule
• Direct rule
• Apartheid policy
• Assimilation policy
INDIRECT RULE
What was indirect rule?
• Indirect rule was the type of rule where the colonialists used African chiefs and kings to rule on their behalf.

State the advantages of indirect rule.
• It was cheap
• It solved the problem of language barrier
• It reduced the rebellions
• It preserved African political system

DIRECT RULE
What was direct rule?
• Direct rule was the type of rule where the colonialists ruled the Africans by themselves.

Name the countries where direct rule was used?
• Tanganyika (Tanzania), Kenya, Ghana, Nigeria, Togo, Cameroon and Namibia.

State the advantages of direct rule.
• It promoted the Western culture.
• It made the colonialists superior than the natives
• It was an effective way of dominating.

State the disadvantages of direct rule?
• It was expensive
• It led to increased rebellions
• It destroyed the African culture.
• African political system was not preserved

ASSIMILATION POLICY
• Assimilation policy was the type of rule where the Africans were to be changed into Europeans in terms of their culture.

**Name the European countries that used assimilation policy.**

• France  
• Portugal

**Name the African countries where assimilation policy was used?**

• Angola  
• Cote D’lvoire  
• Mozambique

**Why did France and Portugal use assimilation policy?**

• They wanted to promote western culture.  
• They the Africans to forget of their original culture.

**How was assimilation policy used / applied in Africa?**

• The French and the Portuguese languages were used as official languages  
• They introduced western styles of dressing and the types of food to be eaten.  
• Africans were given French and Portuguese citizenship.  
• Africans were given permission to visit Portugal and France at any time.  
• They were taken to France and Portugal for Military training.

**State the advantages of assimilation policy.**

• It reduce rebellions.  
• Africans got better Military skills.  
• It increased friendship among Africans and their colonial masters.

**State the disadvantages of assimilation policy.**

• It destroyed the African culture.  
• It was expensive.  
• Africans were forced to practice monogamy.  
• Africans forgot of their original identity.

**APETHEID POLICY**

**What was apartheid policy?**

• Apartheid policy was a separate development of races in South Africa.  
• Apartheid policy was a rule of colour bar as practiced in South Africa.  
• Apartheid policy was the racial segregation in South Africa.

**Name the country in Africa where Apartheid policy was practiced?**
South Africa

Which foreigners introduced Apartheid policy in South Africa?
The whites / British.

Name the political party that passed the Apartheid policy in South Africa?
Afrikenner National Party

NB: The blacks were restricted to stay in separate areas in the declaration of the Group Act Area of 1954

THE BANTUSTANTS IN SOUTH AFRICA

What were the Bantustans?
- The Bantustans the ten homelands created by the white colonial government in South Africa for blacks to live in.

NB: The whites wanted to make the Bantustans independent countries within the union of South Africa.
- Each Bantustan had its own schools, hospitals and universities.

Name the ten Bantustans in South Africa?
- Transkei
- Soweto
- Shaparville
- Gazankulu
- Vendo
- Kwazulu
- Swazi
- Ciskei
- Lebowa
- QwaQwa

Which the first Bantustan was to created / formed in South Africa?
Transkei

Name the Bantustan which was as well as a township where serious strikes and demonstrations took place in South Africa?
Soweto

State the problems the blacks faced in the Bantustans?
- Shortage of food
- Outbreak of diseases
- There was high level of poverty
- They were faced with poor sanitation
- There was poor transport
- Poor social services
• They lacked freedom of movement

**Name the races that were in South Africa during the Apartheid policy?**
- The blacks (Africans)
- The whites
- The Asians
- The Coloureds

**Name the major race in South Africa during the Apartheid Policy?**
The blacks (Africans)

**Name the minority race in South Africa during the Apartheid Policy.**
The Whites

**What were the townships during the Apartheid Policy in South Africa?**
- Townships were homes which were created for the blacks who were working in large factories in South Africa.

**List some of the townships in South Africa during the Apartheid policy?**
- Soweto
- Pretoria
- Johannesburg

**NB:** The townships were located far away from the white settlement.

**How was Apartheid Policy / rule practiced in South Africa?**
- The Africans were not allowed to move without pass cards.
- Inter – marriages between the blacks and whites were immoral and criminal.
- The Africans were not allowed to take part in national politics.
- The Africans were not allowed to share schools with the whites.
- The Africans were not allowed to hospitals with whites.
- The Africans were not allowed to share vehicles and shops with the whites.
- The Africans were not allowed to share the places of residence with the whites.

**How did the Africans react to the Apartheid Policy in South Africa?**
- They formed the political parties for example **African National Congress (A.N.C)**
- The church leaders openly preached against the Apartheid rules for example Bishop Desmond Tutu.
• The musicians composed songs against the Apartheid Policy for example different colours one people and prisoner by Lucky Dube.
• They staged rebellions, strikes, demonstrations, riots and boycotts.
• They formed trade unions.
• The formed the youth military wing called “Umkhout We Sizwe” meaning the spear of the Nations. Their ideas against the Apartheid policy

**Name some of the Africans who opposed / restricted / rejected the Apartheid policy in South Africa?**

- Chief Albert Luthuli
- President Nelson Mandela
- Chris Han
- Walter Sisulu
- Raymond Mhalaba
- Robert Sobukwe
- Lzaka Seme

**Why did the Africans / blacks oppose the Apartheid Policy?**

- They were segregated by the whites
- They were oppressed by the whites
- They were denied freedom of movement.
- They were not allowed to participate in politics.
- They were treated as foreigners in their own land.
- They were denied quality education.
- The Africans were confined in the Bantustans
- They were forced to work in the plantations of the whites.

**Why was the African National Congress (UNC) formed in South Africa?**

- The demand for total independence in South Africa

**Why were the blacks taught in local languages in South Africa?**

- The whites wanted the blacks to remain as illiterates.
- The whites never wanted the blacks to compete with them.

**List the groups that opposed the Apartheid Policy in South Africa?**

- The blacks of South Africa.
- The organization of African Union (O.A.U)
- The front line states
- United Nations

**What were the front line states?**
• The front line states were the African Countries that declared economic war on South Africa.

List the countries that were the members of the front line states?
• Tanzania (Tanganyika)
• Angola
• Mozambique
• Zimbabwe
• Zambia

How did the front line states help the blacks to fight the Apartheid Policy?
• They used their countries as bases for training freedom fighters.
• They refused to trade with South Africa.

How did the whites react to the blacks who opposed the Apartheid Policy?
• They were arrested.
• They were imprisoned
• Some were killed

Name the nationalists imprisoned for opposing Apartheid policy in South Africa.
• Nelson Mandela
• Robert Sobukwe
• Izaka Seme

Name the African Nationalists who were killed for opposing the Apartheid policy?
• Walter Sisulu
• Robert Sobukwe
• Chris Han

How did the OAU help the blacks to oppose the Apartheid policy / rule?
• It trained and armed the freedom fighters in South Africa
• It put trade transactions on South Africa.
• South Africa was isolated by all the member states.

How did the common wealth nations help the blacks oppose Apartheid policy in South Africa?
• It stopped South Africa from by participating in the common wealth games.
• All members of the common wealth of nations were allowed to trade with South Africa.

How did the United Nations help the blacks oppose the Apartheid Policy in South Africa?
• It put trade transactions on South Africa.
• It put ban on the supply of firearms to the South Africans.

How did the musicians in South Africa help to oppose Apartheid policy?
• They composed songs against the Apartheid policy.

How did the religious leaders help to oppose Apartheid policy in South Africa?
• They openly preached against Apartheid Policy.

How did the Apartheid Policy did came to the end in South Africa?
• After President FW De Kerk of South Africa releasing Nelson Mandela from prison.

NB: Nelson Mandela discouraged the blacks from carrying out revenge on the whites for the past mistakes they did to them.
• The government of National Unity formed by Nelson Mandela decided to form the Truth and Reconciliation Commission (IRC) led by Bishop Desmond Tutu

Why was the truth and Reconciliation Commission set up in South Africa?
• To bring about peace and unity in South Africa.
• To give the whites and the blacks chance to seek for apology for the past done mistakes done.

Why is Bishop Desmond Tutu remembered in South Africa?
• He chaired the Truth and Reconciliation Commission.
• He encouraged the church leaders to openly preach against Apartheid Policy.

MISSIONARIES
Who is a missionary?
Is a person who goes to spread the word of God/Christianity in a foreign land

Name the groups of missionaries, which came to Africa
- Protestant missionaries
- Roman catholic missionaries
- Holy ghost fathers
- Mill-Hill Missionaries
- Comboni Missionaries
- Methodist Missionaries society
- London missionary society
- Methodist Episcopal
- Church of Scotland Mission
- United free Methodist missionary society
- Basel mission
- Baptist mission
- Universities' mission to central Africa (UMCA)

State the reasons why the missionaries came to Africa.
- To spread Christianity/Word of God.
- To stop slave trade
- To pave way for the colonialists.

Name the king of Buganda who requested missionaries to come to his kingdom.
Kabaka Mutesa I /King Mutesa 1/ Mutesa I.

Why did Mutesa I request missionaries to come to Buganda?
- To teach Christianity
- To teach the 3 Rs (Reading, writing and arithmetic)
- He wanted to get a trading partner
- He wanted to get guns.

How is H.M Stanley connected to the coming of the missionaries to Buganda
He wrote a letter to the queen of England requesting missionaries to come to Buganda.

Name the groups of missionaries that came to Uganda.
- Protestant missionaries (1877)
- Roman catholic missionaries (1879)

Name the first group of missionaries to come to Uganda.
Protestant missionaries.
Which society sent the protestant missionaries came to Uganda?
Church missionary society (CMS) in England

Name the first protestant missionaries to arrive in Uganda (1877)
- Rev. CT Wilson
- Shergold Smith

Name the leader of the protestant Missionaries in Uganda
Alexander Mackay.

Which was the second group of missionaries to come to Uganda?
Roman Catholic Missionaries

Name the first Roman Catholic missionaries to come to Uganda
- Fr. Simon Lourdel (F. Mapeera)
- Brother Amans Delmas.

Which Bishop sent the Roman Catholic Missionaries to Uganda?
- Bishop Lavengerie of Algeria

Why did Mwanga hate the missionaries?
They preached against African culture
They disobeyed his orders.

Why did Mwanga turn against the first Christian converts?
- They did not give him respect
- They denounced African traditional beliefs
- They did not follow his orders

Name the first missionaries to come to East Africa
- Ludwig Krapf,
- Johann Rebman

Name the first mission station to be built in East Africa
Rabai Mpya near Mombasa.

Which was the first missionary hospital to be built in Uganda?
Mengo

Which was the first missionary school to be built in Uganda?
Namlyango (Mill-Hill Missionaries)

**Why are the following Christian missionaries remembered in East Africa?**

(a) **Alexander Mackay**
- He was the leader of the protestant missionaries in Uganda.
- He taught people practical/vocational/technical skills e.g. building, carpentry, tailoring, brick making etc.
- He introduced the first printing machine to Uganda.

**How did the introduction of the printing machine promote the spreading of Christianity?**
It was used for printing prayer books and Hymnbooks NB: he set up a mission station at Natete in Kampala.

(b) **Kenneth Borup**
He introduced Cottonseeds to Uganda (American upland)

**How did K. Borup promote the development of Agriculture in Uganda?**
He introduced cotton seeds.

(c) **Dr. Albert cook**
- He built Mengo hospital in Uganda
- He built the first Missionary hospital in Uganda
- He treated people suffering from sleeping sickness around the shores of L. Victoria.

**Name the two missionaries who promoted economic development in Uganda**
- Kenneth Borup.
- Alexander Mackay.

(d) **Bishop James Hannington**
- He was the first Anglican Bishop of E. Africa
- He was Murdered/killed under Kabaka Mwanga's orders.

**Why did Kabaka Mwanga order for the killing of Bishop James Hannington?**
- He used the eastern route which was believed for Buganda's enemies.

**Name the chief of Busoga who ordered his guards to murder Bishop James Hannington.**
- Chief Luba

Name the place where Bishop James Hannington was murdered from?
- Bunya /Kyando/Busoga

(e) Dr. David Livingstone
- He preached against slave trade in eastern and central Africa.
- He encouraged the missionaries and traders to come to Africa.
- He preached against the evils of slave trade
- He spread Christianity to central Africa e.g. Botswana.

(f) Dr. Ludwig Krapf
- He was one of the first missionaries to come to East Africa.
- He built the first mission station at Rabai Mpya near Mombasa in Kenya.
- He translated the new testament Bible to Kiswahili.
- He wrote the first Kiswahili dictionary and grammar book.

(g) Johann Rebmann
He spread Christianity to the Chagga on the slopes of Mt. Kilimanjaro in Tanzania NB: He was liked by the Chagga for his being kind to them.

(h) Dr. Steer
- He taught practical/vocational/technical skills to the freed slaves in Zanzibar.
- He built a big cathedral at Zanzibar for worshipping God.

State the problems faced by the early missionaries in E. Africa
- They were attacked by tropical diseases e.g. Malaria, sleeping sickness, small pox etc.
- They were attacked by wild animals.
- They were attacked by hostile tribes e.g. Masai and Nandi.
- They were attacked by hospital kings e.g. Mwanga.
- It was difficult for them to cross some physical features e.g. mountains, lakes, rivers, rift valleys etc.
- There was poor transport.
- There was a problem of language barrier.
- There was shortage of supplies e.g. food, water, medicine.

How did the missionaries try to solve some of the problems they faced in E. Africa?
- They translated New testament Bible to Kiswahili.
• They had to learn Local languages
• They carried guns for protection
• They used Africans as their translators
• They built hospitals

**State the positive effects of missionaries in East Africa**
• They spread Christianity in E. Africa.
• They preached against slave trade.
• They built schools e.g. Namilyango, Buddo etc
• They introduced formal education.
• They built hospitals e.g. Mengo, Nsambya, Lacor etc
• They introduced cotton seeds.
• They taught vocational/practical/technical skills.
• They encouraged introduction of legitimate trade.
• They built roads.
• They built mission stations.
• They introduced the printing machine.
• They built churches.
• They Wrote books about God in African Languages.

**State the negative effects of the coming of the missionaries**
• They preached against African culture.
• They exposed the natural resources of Africa to Europe.
• They caused religious wars in Buganda.
• The divided people along Christian denominations.

**State the economic contributions of the missionaries**
• They introduced cotton seeds.
• They constructed roads.
• They encouraged introduction of legitimate trade.
• They taught practical skills.
• They introduced a printing machine.

**State the social effects/results of the missionaries**
• They built churches.
• They spread Christianity.
• They preached against slave trade.
• They printed Bibles and prayer books.
Qn. State the political of the missionaries
- They paved way for the colonialists
- They encouraged religious wars in Buganda
- They divided people along religious denominations

THE EUROPEAN TRADERS
The coming of the European Traders to Africa was sparked off by the Industrial Revolution that took place in Britain.

Why did they European traders come to Africa?
- They wanted to trade.
- They wanted to get raw materials for their home industries.
- They wanted to get market for their finished goods.
- They wanted to invest on their surplus capital.

What was the industrial revolution?
- It was a period in Europe where the machines were invented to do the work which was done by man using hands

What were the causes of the industrial revolution in Europe?
- There was high demand to get market for their finished goods.
- There was high demand for raw materials.
- There was high demand for land for settlement.
- There was need to invest on their surplus capital elsewhere.

Name some of industrialists during the industrial revolution in Europe
- Johan Gutten Berg.
- Jethro Tull

Why is each of the above people remembered in the industrial revolution Europe?

a) Johan Gutten Berg.
   - He invented the printing machine, which was used for printing books.

b) Jethro Tull.
   - He invented the seed drill, which was used for planting the seeds.

State the effects /results of the industrial revolution in Europe.
- It led to unemployment.
- It led to increased production of goods in Europe.
• It led to increased demand of raw materials in Europe.
• It led to high demand for ready market for European goods.
• It led to increased rural - urban migration.

**THE SETTLERS**
Foreigners who came to settle permanently in Africa.

**Why they Came**
- To set land for settlement.
- To set cheap labour

**Countries where the whites settled**
- Kenya
- South Africa
- Namibia
- Zimbabwe

**THE DUTCH/BOERS**

**Who were the Dutch / Boers?**
- The Boers were the farmers from Netherlands

**Where did they come from?**
Netherland /Holland

**How did the Dutch/ Boers come to settle in Africa?**
- Their ship called Haarlem hit a rock and sunk in the Atlantic Ocean.
- The survivors swam to the coast of South Africa.

**Name the Dutch/ Boers survivor who encouraged the Dutch to settle in South Africa**
- Jon Van-Riebeck/ Jan Van Riebeck

**Why is John Van Riebeck remembered in the Dutch history of South Africa?**
- He led the Dutch / Boers survivors to settle in South Africa (Cape of Good Hope).
- He encouraged the Dutch survivors to set up temporary houses in Cape of Good hope.
- He encouraged the Dutch settlers to start crop growing e.g. vegetables.
State the factors that attracted the Dutch to settle at the coast of South Africa
- Good fertile soil
- Good climate / reliable rainfall

**Why did the Dutch start growing of grapes?**
- For making wine

**Name other foreigners who settled in South Africa**
- French
- British

**What was the great Trek? (P.L.E. 2008 No. 50(a)**
- Movement of the Boers / Dutch farmers from the cape colony to the interior of South Africa.

**NATIONALISM AND THE ROAD TO INDEPENDENCE IN AFRICA**

**What is nationalism?**
- Is the desire by the group of people who share the same race, kingdom to form an independent country.
- Is a feeling of love for the pride in your country.
- Is a feeling that your country is better than any other.
- Is one's devotion for his or her country.

**Who is a nationalist?**
- Is a person who expresses his love or desire for nationalism

**A patriot**
- Is a person who loves his/her country and is ready to defend it against enemies.

**PATRIOTISM**

- He was a member of the Legco in Kenya.
- He established a local newspaper in Kenya called "Muigwithania".
- He founded Kenya Central Association (KCA)
- He participated in the making of the first Constitution of Kenya.
- He was the secretary general of the Kikuyu Central Association.
- He led Kenya to independence of 12th Dec- 1963.
- He was the first Prime Minister of Kenya.
- He was the first President of Kenya.
• He made Kenya the most industrialized country in East Africa.
• He resettled the landless Kenyans in Kenya.
• He set up private schools in Kenya.
• He set up prosperity for all "Harambe Scheme"

f) **DR. KWAME NKRUMAH - GHANA.**
• He led Ghana to independence on 6th March, 1957.
• He was the first prime Minister of Ghana.
• He was one of the Pan- Africanists.
• He hosted the first pan - African conference at Accra in Ghana.
• He founded the Convention People's Party (CPP) in Ghana.
• He was one of the nationalists in Ghana.
• He was one of the founder members of OAU.
• He advocated for Africa’s unity in his book “Africa must Unite or perish”.

NB: He was overthrown in a military coup in 1966.

g) **DR. BENJAMIN NAMDI AZIKIWE - NIGERIA**
• He was one of the first nationalists to demand for Nigeria's independence.
• He formed the National council of Nigeria and Cameroonians. (NCNC)Party.
• He established newspapers in Nigeria, which were used for demanding for independence.
• He was a member of Nigeria Youth Movement (NYM) in 1937.
• He was the first president of Nigeria after independence.

h) **TAFAWABALEWA - NIGERIA**
He was the first Prime Minister of Nigeria.

i) **EMPEROR HAILLE- SELLASIE - ETHIOPIA**
• He became the emperor of Ethiopia in 1930.
• He fought and defeated the Italian occupation of Ethiopia in 1935.
• He formed a strong army in Ethiopia.
• He attended the first pan - African conference of 1958 in Ghana.
• He was one of the founder members of OAU & AAE of training freedom fighters.
• He accepted his country to be used as a base for training freedom fighters.
• He hosted the 2nd pan-African conference of 1963 at Addis-Ababa in Ethiopia.
• He was the first chairperson of OAU.
• He accepted his country to be used as the headquarters of OAU.

NB: He was overthrown by the army in a popular revolt led by Haille Mengistu Mariam in 1964.

• He was imprisoned and starved to death.

j) KENETH KAUNDA - ZAMBIA
• He was a member of Zambia African National Congress (ZANC) in 1958.
• He attended the 2nd pan-African conference in Ethiopia
• He was imprisoned by the British for opposing their rule.
• He united Zambia African National congress (ZANC) with other parties to form united National Independent Party (UNIP).
• He was elected the party leader of UNIP while in prisons.
• He led Zambia to independence on 24th October, 1963.
• He was the first prime Minister of Zambia.
• He was the first President of Zambia.

k) KAMUZU BANDA - MALAWI.
• He rejected/ opposed the British idea of forming a federal state from Southern Rhodesia (Zimbabwe) Northern Rhodesia (Zambia) and Nyasaland (Malawi) as one state.
• He opposed the formation of the Central African Federation (CAF) after its formation in 1953.
• He was the leader of Malawi Congress Party (MCP).
• He led Malawi to independence on 6th July, 1964.
• He was the first Prime Minister of Malawi.
• He was the first President of Malawi.
• He declared Malawi a republic in 1966.
• He was one of the founder members of OAU.

l) PATRICE LUMUMBA - ZAIRE/DRC.
• He opposed the Belgian colonial rule for exploiting resources in Zaire.
• He formed the Congolese National Movement (CNM) at Kisangani in 1958.
• He attended the Japan - African Congress at Accra in Ghana.
